

2024 IAW Artisan Sales Booth Information

We are excited to offer Club members an opportunity to sell their work, and to provide the public an opportunity to purchase a wide variety of wood and gourd art through the 2024 IAW Artisan Sales Booth. You **must** be a member of a participating Club to sell in this booth.

To register, please complete the Artisan Sales Booth form. Please register online with the ID Tax Commission. (<https://tax.idaho.gov/taxes/sales-use/guides-for-certain-groups/promoter-sponsored-events/>) **prior** to the event. The Event ID is 862978048. If you have a Sellers Permit, a copy is required with your registration. If you don't have one, a Temporary Sellers Permit (ST124) will be available for you to complete at the booth when you bring in your items.

There is no "registration fee", but 10% of sales will be retained for support of IAW. You will be responsible for reporting and paying sales tax to the State. Any sales made with an electronic payment method will have a convenience fee of 3% assessed.

Each piece will need to have a price tag attached. The tag must include your sale price and your name. Your pricing needs to be in whole dollar amounts to prevent the need for change (e.g. \$60.00 instead of \$59.99). Each piece needs to be listed on the Store Inventory – Registration Form. **No sales of entries into the judged competitions are allowed.**

To offer enough space for as many different artists as possible to participate, we ask that you be considerate of how many pieces you submit and how much space your item(s) will take in the booth. You are welcome to bring in a display stand, business cards, or small placards describing unique information about your work. We will do all that we can to present your item(s) in the best possible way.

Please bring your item(s) along with any remaining forms to IAW-JUMP Friday, April 5, 2024, from Noon – 6:00 p.m. You **MUST** pick up any remaining items by 3:00 p.m., April 7, 2024. This is 1 hour prior to the close of the show to allow you time before picking up your show entries. Any unclaimed items will be given to the respective club presidents at the end of the show. Your sales proceeds will be paid out to you by check and mailed to the address listed on your form. This payout will include your gross sales less 10% IAW fee less 3% convenience fee for any electronic payments for your item(s). You are responsible for making the tax payment to the State.
